CERTIFICATE OF FACTORY PRODUCTION CONTROL

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive — CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product:

SIMPSON STRONG-TIE THREE-DIMENSIONAL NAILING PLATES

produced by the manufacturer:

Simpson Strong-Tie
Hedegaardsvej 4-11
Boulstrup
DK-8300 Odder
Denmark

in the factories:

TAMWORTH, UK
STOCKTON, USA
COLUMBUS, USA
BOULSTRUP, DENMARK
SAINTE-GEMME-LA-PLAINE, FRANCE

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factories in accordance with a prescribed test plan and; that the notified body, the British Board of Agrément, has performed the initial inspection of the factories and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This Certificate attests that all provisions concerning the attestation of factory production control described in the accompanying Annex were applied.

This Certificate was first issued on 12th October 2006 and remains valid for as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Signed on behalf of the British Board of Agrément:

Date: 12th October 2006

Expiry date: 31st October 2011

Notified body reference number: **0836**

Certificate revised 9th February 2007 to add Part 2 incorporating the Danish office address.

Annex to Certificate No 06/F007
